

THANK YOU!

Helping people to become everything they were created to be!

Thank You for participating in our mission among the marginalized and vulnerable.

Every year, the need increases, and every year God uses people like you to help to meet that need!

At Hope Barrie, we are committed to holistic mission: We value Hand-ups over Hand-outs, measuring Outcomes vs. Outputs only, and Empowering People over Enabling People.

We are the only Christ-Centred, Gospel-Driven Missional Movement of its kind with a full-time presence among Barrie's marginalized and vulnerable!

THE PROCESS

How Do Lives Change through Food?

The opposite of poverty and food-insecurity is connection in community. We build life-giving relationships with our community members, and provide connections to supports relationally and in programmes for spiritual growth, mental health, addiction, job skills, and even housing and more! We meet one-on-one with every guest, every week. Frequently, people come for the connection even when they do not need grocery assistance!
